At North Scituate Public Library

Celebrating over a century of service to the community

Living Small...at the library.

What would you do if you had to chose only 5 books to live on one tiny shelf in your house?

We are so happy to begin construction on our new addition and renovation! The finished project will open up all sorts of new opportunities to serve you better.

In the meantime, we are moving into a space that is a quarter the size of the current library, and can bring only 25% of the collection with us. It's been a difficult process, deciding what will come along with us, and what will go into storage for the year. But in the end, we made the hard choices, and feel we will have a broad array of books, movies, and magazines to tempt every taste.

Now it's your turn...if you could only have 5 books on your bookshelf, what would they be? And no cheating— it can't be an ebook reader or a trilogy rolled into one big volume. But we will be thrilled if you tell us “I can't live without these five books, and of course, I get everything else I need at the library!”

We will have forms at the library or you can click on the “**5 Books**” link on our website. We will keep all your responses anonymous, but hope you will tell us a little bit about why these books are so special.

You might just win a prize! If you put your name on your list, we will put you in a drawing to win a month's free membership at the gym next door — **Edge Athletics Fitness Center.**

Get your answers in before the Art Festival, October 9-11. Everyone's lists will be compiled, and we will post the **Scituate Books We Can't Live Without List** for all to share. It doesn't matter how old you are— think about it, discuss with your family and friends, and send in your choices for that tiny book shelf! We'd love to see what you love to read.

NORTH SCITUATE PUBLIC LIBRARY

Ground Breaking for our Addition/ Renovation Project

Saturday, September 25
10 AM

You are cordially invited to celebrate a new chapter in the history of our library.

We are truly living small...and *cannot* accept any book donations, as we have no place to put them. Please don't leave any items by the door or in the book drops—it creates extra work for us, and they end up in the landfill. As soon as we find a place to store the books, we'll let you know!

Short Stacks:

The library will begin Winter hours on Saturday, Sept. 25 (open Sundays 1-4, Saturdays 10-4—all other hours remain the same).

AND YES, we will still be holding our annual **Art Festival Book Sale** at the library on Greenville Rd.

Scituate Health Alliance Drug Discount Plan— *cards available at the library.*

The Scituate Health Alliance is
providing Prescription Drug Cards to
help local residents reduce prescrip-
tion drug costs. These cards are not a
substitute for an insurance prescrip-
tion plan, but can be used when a drug
is not covered under your plan or if
the drug is cheaper with the card
rather than with your insurance. For
more information, call 764-0405 or
email Scituatehealth@aol.com.

The library will be **OPEN** for business at 10 AM on Tuesday, September 7 at the IGA Plaza.

REMEMBER —until then:

No returns will be accepted at the library or at the IGA Plaza. We will have
no way to keep them safe. You can return items to any other library in Rhode
Island.

NO items from our library will be due until Sept 7. But...**items from other
libraries will still be due**, and must be returned to another library to avoid
fines. Take the opportunity to visit our wonderful neighboring libraries!

Stop in and say hello, as we open our temporary home!

Library Hours remain the same, only the address has changed.
